THE VSS FACADE GROUP

VSS FACADE INSTALLER PTE LTD founded in 2009 as a facade installation company. Since its inception it has grown over the years to become the premier supplier and installer for windows, doors, shop fronts, curtain walls, claddings, skylights, canopies and steel works in the facade market. We had first hand opportunity to experience all aspects of the industry from the ground up.

We have a large base of satisfied customers and value them and we always maintain a tenacious drive to excel in quality workmanship needed to attain that satisfaction. Each of our employees possesses superior product knowledge and the skills necessary to professionally design and install all of facade work. Ultimately, it is the quality of our work that is the true signature of VSS FACADE.

The fundamental concept behind the VSS FACADE GROUP revolves around our employees. We are constantly expanding our family of specialist and executives to form an extremely dynamic, competent and efficient team complemented with a global perspective and over a century worth of cumulative experience.

OUR VALUES & INTEGRITY

We believe in strong and ethical values as the core to every successful enterprise. These are our values and a demanding code of conduct forms the base of every decision made at VSS FACADE.

PEOPLE

The strength of any company is the sum of its people. We are dedicated to offer our employees a wealth of opportunities to nature their capabilities via our management team who individually have a minimum 17 years of facade industry experience.

OUR VISION

Our vision reflects a commitment to inspire architecture by focusing on our three key strengths: "New Technology", "Innovative Products", and "Creative Solutions". By focusing on our core values, VSS FACADE hopes to revitalize through efficiency the dynamic nature of today's construction landscape.

EXCELLENCE

Everything we do at VSS FACADE is driven by an unyielding passion for efficiency, excellence and an unfaltering commitment to innovate, manufacture and install the best products via the best services in the facade market.
